NEWSLETTER

DECEMBER GREETINGS!

Hello Tigers! It's hard to believe we're nearing the end of 2021! In this edition of *Tiger Times*, we invite you to read about many helpful resources and exciting upcoming events. Stay warm, Tigers!

WORKING OVER SCHOOL BREAKS

Alachua eSchool will be closed December 20th - January 3rd. We hope you will enjoy this time with your family! If you would like to work over the break to catch up on assignments or get ahead, you are welcome to do so. Please keep in mind that our teachers will also be on break and may not be available to respond to emails or grade assignments until school resumes.

WELCOME TO ESCHOOL!

Hi Tigers! We are so excited that you will be spending the 2021-2022 school year with us! Please check out this edition of *Tiger Times* for information about our school and to learn some tips and tricks that will help you navigate your courses.

TEXTBOOKS

We want to make sure all of our eSchool Tigers are prepared! Do you have all of your textbooks? If you are missing anything, please ask your teacher for help.

9 Out of all 12 months of the year, September is spelled with the most letters. It contains nine letters, and it happens to be the ninth month of the year.

The first day of fall is September 22. This is when the hours in the day are almost equal to the hours in the night.

Aside from Labor Day, September has a couple of other important holidays! Don't forget to celebrate:

- ▶ National Grandparents Day (Sept. 12)
- ▶ National Cheese Pizza Day (Sept. 5)

eSchool Tigers are Terrific Test-Takers!

ARRIVE ON TIME
Students who arrive late will not be permitted to test and will have to return to take their test on a make up day.

NO ELECTRONICS
Electronics are NOT permitted in the testing rooms. This includes smart watches, so please leave those at home!

WATER & SNACKS
Students are welcome to bring a water bottle that closes - and - a healthy snack.
*Please do not bring a full lunch or anything that will cause a mess. Something small and quick to eat is ideal!

WHILE THE CHILDREN ARE TESTING
You are welcome to wait in a designated area. Please return by the end of the testing period.  Give us a call for a map of things to do around eSchool.

PARKING
Parking is available in the lot near the Farm Hub. If the lot is full, you can also park in the bus loop.

CHECK-IN
Please check in at the gate and get your temperature checked. Students will then be directed to their assigned testing areas.

MATH BOARD GAME PROJECT

You will be creating your own **Math Board Game** using the math concepts that you learned this year! This is a **cumulative project** that you will be working on for the rest of this school year. We have broken this project down into **5 steps** to be completed over 5 weeks.

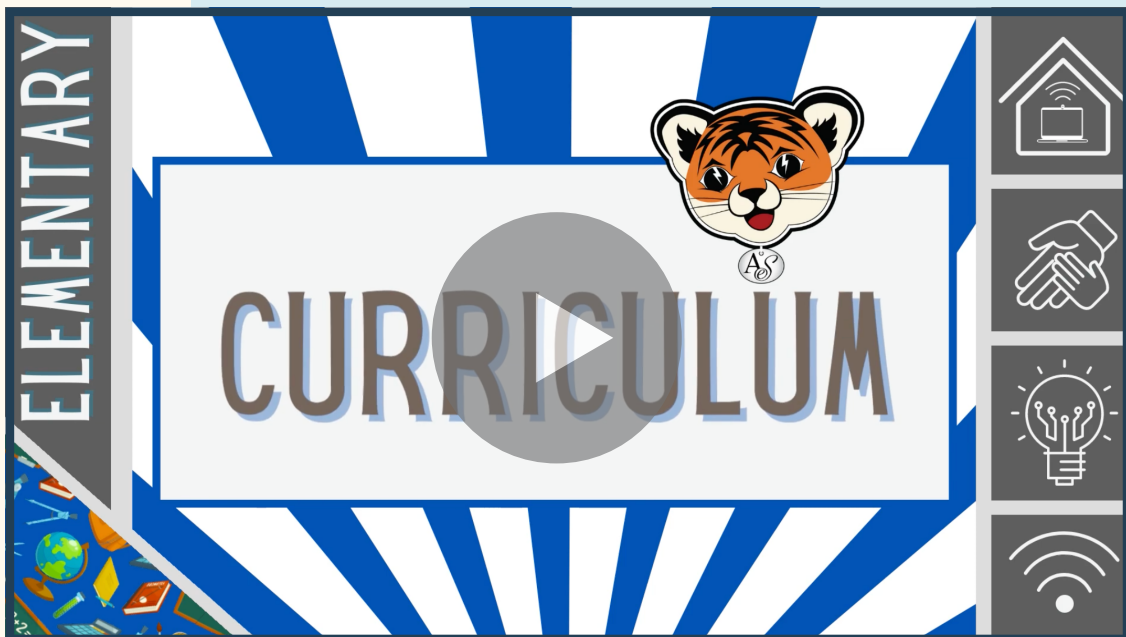

SUGGESTED MATERIALS

- 1 poster board or 1 large piece of construction paper** for your game board
Poster board is recommended because it is stronger.
- pencil, eraser & ruler**
You will use these to draw the outline of your board game on your poster.
- coloring supplies** (colored pencils, markers, and/or crayons)
- dice**
If you'd like to create your own, click [HERE](#) for a printable option!
- player pieces or pawns** (at least two)
You can use paper, small toys, action figures, etc.
- notebook paper or printer paper**
*You will write or type your **directions** and your **answer key**.*
- 20-25 notecards** for your math problems on your game cards
TIP: You can make notecards by cutting up paper.
- OPTIONAL: crafting materials** to decorate your game board
(examples: cotton balls, pipe cleaners, yarn, glue, clay, glitter, ribbon, scissors, tape, sequins, feathers, etc.)

RUBRIC	GAME BOARD (your poster)	20 points
	GAME PIECES (dice & player pieces)	5 points
	GAME CARDS (math problems)	10 points
	DIRECTIONS (written or typed)	10 points
	ANSWER KEY (written or typed)	5 points
TOTAL:		50 POINTS

Build a GIANT SNOWFLAKE!

Option 1 (more cutting)

Materials

- 8-9 paper bags
- Glue
- Scissors

Scan this QR code to see a how-to video!

1

- Lay all of the bags flat on the table. Do not open them!
- Use glue to make an upside-down "T" shape on one bag.

The horizontal line of the "T" should be on the bottom end of the bag!

2

- Take another bag and stick it to the first bag.
- Then, apply a "T" of glue to that bag, as well.

Continue until all of the bags are glued in a big stack.

3

- Cut the top corners off of the stack of bags.
- Cut shapes into the sides of the bags.

Be creative and cut them however you want!

4

- Apply a "T" of glue to the top bag.
- Then, fan the bags out and stick the bottom bag to the top bag.

Enjoy your snowflake!
